

Introductory Statement about the Archivist of the United States

September 17, 2007 marked the third year of commemoration of Constitution Day and Citizenship Day in the Department of Defense. As a special event for 2007, Dr. Allen Weinstein, the Archivist of the United States, spoke and answered questions about the Constitution in the Pentagon auditorium on September 17, 2007. Dr. Weinstein, confirmed in 2005 as the ninth Archivist of the United States, is a noted historian and author of numerous books and essays. Link to his complete biography on the third link below:
